

LONGEVITY PILATES
IS NOW OFFICIALLY OPEN AT OUR
NEW LOCATION
35 FAIRVIEW AVENUE IN VERONA !

We still have a few pictures and mirrors to hang and a few little cosmetic tweaks but all of our equipment is installed and waiting for you!

Group classes resume Sat. 9/2 and we will also be open Sunday so if you have a standing appointment, whether Group or Private, we will be there for you starting Saturday 9/2.

Our Private and Duet sessions will always be just you and your teacher in the room and we have all the classes you already love plus dynamic new classes. We're also excited that we have ample parking in the lot behind our building, our own private entrance and 2 lovely bathrooms.
